

Girl Scout Council of Cannon Valley Family Involvement Patch

This is an optional council patch that is earned by individual girls with their families.

Directions

Complete this form with your family, based on activities completed from October 1 to September 30. Your leader will approve your application and forward it to the council Service Center.

For each requirement you have completed, please list on the reverse side of this form the date, person involved (mom, dad, uncle, aunt, brother, sister, grandparent, etc.) and a brief description of the service. A requirement can be completed more than once to accumulate points toward the patch. Whether a requirement has been completed and the points earned are at the discretion of your leader.

What if a family has more than one girl in Girl Scouting? Families can accumulate eight points in any combination of activities. Once the *family* has earned eight points, each daughter will be awarded the patch. *Please fill out an identical application for each daughter, and return one to each troop leader.*

Please allow three to four weeks for processing.

Girl Scout's name _____ Troop # _____

Troop leader's name _____ Service Unit _____

Address _____
Street City State Zip

Program level: Daisy Brownie Junior Cadette Senior

Names of family members helping with this patch _____
