# MONEY MANAGEMENT PATCH

Dear Girl Scout Leader,

The Girl Scout Council of Cannon Valley and the Goodhue-Rice-Wabasha Citizens Action Council, Inc., in a cooperative effort, have designed a troop patch called **Money Management** for Brownie and Junior Girl Scouts.

Teaching money management for a troop patch is an exciting process. A positive and rewarding experience dealing with a troop budget and goals teaches girls that "budgeting" is the sensible way to obtain the material things they want in life. It promotes assertive, responsible behavior. Girls in particular need information, recognitions, encouragement and support if they are to make the best choices for themselves as they enter adolescence. The **Money Management** patch will teach them to believe in their own worth and abilities, and it gives them the tools to make wise decisions and to achieve their goals. Patch order forms are included with the activity packets. Patches are \$1.50 each.

For any further questions, please call the Girl Scout Council of Cannon Valley @ (800) 344-4757 or (612) 645-6603

If you would like an activity packet to earn this patch, please mail the request form on this sheet to **GSCCV P.O. Box 61, Northfield, MN 55057.**
