

GIRL SCOUT COUNCIL OF CANNON VALLEY CADETTE/SENIOR TROOP MANAGEMENT PATCH

The Cadette/Senior Troop Management Patch is an optional patch for Cadette and Senior troops/groups in the Girl Scout Council of Cannon Valley. Its purpose is to aid older troops with the implementation of systems for troop/group government, program planning and budgeting. Optional patch activities also help participants to understand the broader concepts that are employed in good troop/group management. The Troop Management Patch was designed by a troop leader from the Cannon Falls/Randolph Service Unit. It may be completed alone or in conjunction with the Cannon Valley Honor Troop Patch Program. Please contact the council office for patch requirements.

Troops/groups are responsible for completing the patch activities at their own discretion (no council approval is required). When you have completed the activities, please fill out the order form below and the evaluation on the other side of this cover sheet, and mail this page only to: Girl Scout Council of Cannon Valley, PO Box 61, Northfield, MN, 55057. Please allow 4 weeks for processing.

Troop #: _____ Service Unit: _____ Level (circle): Cadette Senior

Leader Name: _____

Address: _____

Daytime Phone: _____ Evening Phone: _____

Number of Girls: _____ Have you earned the Troop Management Patch before? _____

Troops earning the patch for the first time should order the patch itself (at \$1.65 each). Cadettes purchase a white arc tab for each additional year that the patch is earned; Seniors purchase a red one (arc tabs are \$0.50 each).
